Dear Parents and Carers,

It is lovely to see the children in their school uniforms. I realise that things have been difficult for families to get out to shops or order new items of clothing or shoes, but I would just like to send a gentle reminder that our uniform is important. It helps children feel part of the school, infiltrates a good level of respect and it presents our school and pupils in a smart and diligent manner. It also helps children remember that good behaviour at school is essential and is the expectation. With all of this in mind, wearing the school uniform leads to better quality learning for your child.

A reminder of the school uniform:

We will be sending all wellies home and teachers will only request that they are brought in for certain sessions. Obviously children can wear wellies to school in wet weather and change into their shoes on arrival into the classroom.

I appreciate your time in reading this information and look forward to seeing all of the children in their school uniforms.

Many thanks
