

Different types of sentences

In English we have been learning about different types of sentences.

In the KS1 outside area Harry and Jamie discovered some glitter and some strange footprints coming from a large hole!!

They followed the clues
and came across a letter
left under a log!

At first we thought it had
been written by Santa but
after discussing the clues
and the time of year, we
thought it was a little
early for Santa! Could it
have been an alien?

After some of us tried to
read the letter we finally
discovered it had no
finger spaces and that was
why it was so hard to
read!!

Using what had happened we
wrote statements,
questions and gave our
opinions.

Here is some of our work:
